

Cannon Falls Ambulance Mock Crash Committee

Dear Participant,

On behalf of the Cannon Falls Emergency Services we would like to graciously thank you for your desire to be a part of the 2008 Mock Crash event. We could not have been successful without your contribution.

Our motivation for providing this event is to heighten the awareness of not just the students here in Cannon Falls, but the precious children of our community. Young drivers and alcohol use are portrayed in an attempt to demonstrate just how quickly a disaster of this nature can happen.

This event cannot even begin to reveal the chaos, devastation and heartbreak that takes place in seconds and the effects that will last for a lifetime.

We pray this event will have an enormous impact on the future choices of the young lives in our community.

Thanks Again,

Cannon Falls Emergency Services
